

## Gemini Collection

A unique combination of safety, economy and selection

### 2500 Series

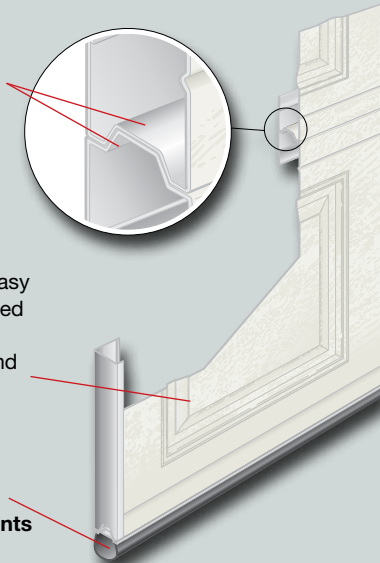

25 Gauge / 2" Sections

### Safety, Economy, Selection

The Hörmann Gemini Collection offers you a wide range of styles and a broad variety of design options to enhance the beauty of your home. The virtually maintenance-free Gemini **2500 Series** are made of **25 gauge** galvanized steel.

Precisely designed **tongue and groove section joints** reduce air infiltration and creates weather-tight seal.

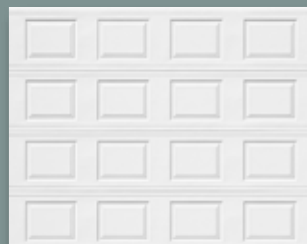

Well-defined panel embossments, easy to clean woodgrain texture, galvanized and **finish painted steel** provide years of trouble-free performance and beauty.

The bottom weather seal **keeps out wind, rain, debris and other elements** for added energy savings.

### Safety Bottom Fixture

Hörmann garage doors utilize safety fixtures on their bottom sections for added safety for your peace of mind.

### Superior and Safe Windows

Hörmann window insert frames are recessed to the panel surface to give your door a cleaner look. Tempered safety glass panes offer extra layer of safety in case of breakage.

### Custom Door Heights

The Gemini Collection is now available in door heights up to 14' tall.
