The Industry Leader in Innovative Door Choice and Quality

Tongue & Groove Section Joints **1**

Precisely designed tongue and groove section joints reduce air infiltration and creates weather-tight seal.

Panel surface treatment **2**

Galvanized finished painted steel provides superior corrosion resistance for years of trouble-free performance.

Bottom Weather Seal **3**

Keeps out wind, rain, debris and other elements for added energy savings.

Proprietary Safety Brackets **4**

Our reinforced safety bottom brackets and red safety screws create a double layer of built-in safety for the user.

Panel Design

- 1 Ribbed
- 2 Traditional Raised Panel
